FIT

Key Features

FIT is flexible, durable and provides unmatched value. Select veneers are utilized to create a warm and inviting environment while providing for a durable foundation to withstand daily use. With an array of beds, wardrobes, desks, dressers and nightstands, FIT is extremely adaptable to any space. All wood surfaces are finished using ModuForm's revolutionary UV cured resin which will withstand harsh bleach-based cleaners and heavy-strength detergents. FIT's design will create home-like spaces while its construction is engineered to last.
